SOCIETY

## About Cyprus

Situated at the north-eastern end of the Mediterranean basin, Cyprus is the third largest island in the region.

## Climate and weather

Cyprus enjoys an intense Mediterranean climate. In November, daily temperatures are around 17°C, but sometimes climb to 22°C and drop to 12°C. The sea temperature in Limassol is around 22°C.

## Languages

The official languages of the island are Greek and Turkish, whilst English is widely spoken.

## Covid-19 Travel Safety tips

For your safety and comfort during your trip to Cyprus, click [here](#) to learn everything there is to know prior to your visit, according to the latest safety protocols issued by the Cypriot Government regarding the Covid-19 pandemic conditions and terms of entry to our country.

## Airports

The Republic of Cyprus is the sole sovereign authority under International Law with exclusive jurisdiction to determine which of its airports on its territory are open and functioning. Visitors arriving in Cyprus by air, may enter the Republic of Cyprus only through the **International Airports of Larnaca or Paphos**. Entry via any other airport is illegal. The operation of airports built in the areas of Cyprus which are under Turkish military occupation since 1974, has never been authorized by the government of the Republic of Cyprus.

## Transportation

You can travel around the island by bus or taxi. Cyprus does not have a train or underground transport system. For your transportation from the **Larnaca** or **Paphos** airport, we recommend the following **taxi service**, from which we have obtained the **special rate of €55 per ride from and to either airport**.

To book your transportation, you can contact the taxi service directly via **email at [info@smartcyprus.taxi](mailto:info@smartcyprus.taxi)** or **phone at 00357 22 111 222 or 00357 96 170 258**. All vehicles are sterilized frequently and are loaded with a partition shield for the driver's and passengers' safety, against Covid-19.

## Hotel and venue

The 2022 ECL Annual Meetings will be held at the **[St Raphael Resort and Marina](#)** in the coastal city of Limassol. The St. Raphael Resort is approx. 55 km from Larnaca airport and approx. 70km from Paphos airport (around 30-40 min drive).

For accommodation, we have obtained **special rates** at the St Raphael Resort and Marina **for ECL members** at:

- **€130 for single rooms** (for 1 person) per day
- **€160 for twin/double room** (for 2 people) per day

## 4<sup>th</sup> Cyprus Oncology Conference | 11-13 November 2022

Just before the ECL Annual Meetings, The Cyprus Anti-Cancer Society will host the [Cyprus Oncology Conference](#). This Conference will take place in **Limassol** between **11-13 November 2022** and will provide a forum for advanced lectures, debates and discussions on future developments on breast cancer, colorectal cancer, lung cancer, urologic cancer, gynecological cancers, stereotactic radiotherapy, immunotherapy and palliative care.

**Participation is free-of-charge for ECL members.** If you are interested in participating, you can fill in the registration form on the official website of the conference to book your seat **by 1 November 2022 at the latest:** <https://oncologyconferencecy.com/registration/>.

The venue of the conference is different from the one for ECL's Annual Meetings, however, if you plan to attend email [Gina@cancer.eu](mailto:Gina@cancer.eu) and we will arrange a **shuttle bus to transport you to the venue of the conference.**

## ECL Annual Meetings | 14-15 November 2022

Please be informed that this year's **Annual Meetings** will take place on **14-15 November 2022:**

- **ECL Annual Conference** | Monday 14 November: 09:30 to 17:00 - *open to ECL members and invited guests*
  - The Conference will focus on cancer care, inequity and inequalities in cancer care, palliative care and legislation, and survivorship issues.
